# Parish Voice

Winter 2022

*Mission Statement: To be a place of Christian worship and outreach and a hub for the community enabling people to connect with Jesus and one another.*

## FROM THE MANSE

Do you remember the song “Turn, Turn, Turn” which was performed by The Byrds? It was released in 1965 and reached No 26 in the UK Charts. The lyrics are essentially the first eight verses of the third chapter of the Book of Ecclesiastes in the Bible: *There is a time and a season for everything.*

Part of God’s great design of this earth is the rhythm of the seasons. We experience the four seasons of winter, spring, summer, and autumn (sometimes all on the one day in Scotland). Each year we see creation moving through the seasons of planting and harvesting and, at other times, we experience our own seasons - of sadness, loss, joy, newness and growth.

Whilst on holiday in Majorca at the end of October, I noticed that the summer season was ending there too. Hotels, pavement cafés and restaurants were packing up for the winter and taking a well-earned break. It was a reminder that summer was well and truly over for another year and change was coming. I know that some people like this time of the year and enjoy the need to ‘coorie-in’ in for the evening but for others the situation is different.

We find ourselves in a new season where many people face personal issues that makes them feel anxious and stressed. The cost-of-living crises, climate change and the political unrest here and abroad are having an effect on us all. To compound this, the Church also finds itself in a changing season when serious questions are being asked about how it’s structured and the direction it should travel in the coming years.

In such a season therefore, it is also important to remember the good news found in this familiar text, "There is a time and a season for everything." The writer is keen to pass on that the things that we go through in life are not futile. God is sovereign which means God is in control of all things. God is with us – even in the hardest of times. He guides our steps from one season to the next. No matter what season

*This season will not last forever*

we find ourselves in or what might be ahead of us, God is always present and always leading us through. Though life does not always make sense, the invitation to each of us is not to be lost in despair but instead to find comfort and hope in God for just as winter will eventually give way to spring, this season will not last forever. God will bring us through to better days marked by comfort, love and new life.

This is what we remember when the church moves into the season of Advent and Christmas. Advent is all about yearning, waiting, anticipating and praying the words of the well-loved hymn, "Come, O Come Emmanuel". And Christmas is a time when we celebrate the promises of God being fulfilled and of God sending us the most precious gift of his son - our Lord Jesus Christ. The true meaning of Christmas is the celebration of the Saviour. Through belief in Him we become daughters and sons of God. What encouragement this offers us today!

The current season might be challenging but let us also find hope and encouragement. In this edition of *Parish Voice*, you will read of our interest to create a cosy space in the Church Hall for one day in the week where people in our community can meet together and enjoy the warmth of a comfortable environment in the company of others. We want to reach out to the young people in our community in partnership with KYTHE and offer them a space where they can relax and 'decompress' with others. And of course, there is our dream to make the sanctuary in Dunbarney a more modern and comfortable space that will meet the needs of the worshipping congregation and those outside the walls. All of this is on top of the ongoing wonderful work that we do as a Church to try and show God's love and compassion to others.

## TREASURER'S REPORT

Thank you to everyone who supported our chosen charities following this year's Harvest Thanksgiving Service. Not only did CATH and the Perth Foodbank benefit from the many donations of food and other provisions, but they also each received £95 from our retiring collection. I am sure they will have no trouble in putting these very generous donations to good use.

I am delighted to say that we have been successful in securing some funding from the National Lottery Community Fund to help us set up and run a 'cosy space' in Dunbarney Church hall. Whilst we are also

exploring other funding options to help with this, the Lottery funding will enable us to open the doors one day each week to provide a

Unfortunately, the number of people arranging the flowers has dwindled over these past few years and we really are looking for more people who would like to help put them in for a Sunday morning. It may be only a few times in the year but helps spread the load.

If this is something you feel you can help with, please get in touch with me.

We look forward to seeing the Church decorated again for Christmas and I would like to thank the Woman's group for taking the time to help with this in December.

If you wish to discuss anything with flowers, please get in touch on 07751577771

Happy Christmas

Helen Jackson, Flower Convener.

## BLYTHSWOOD CARE

Very many thanks to all who contributed to the 2022 Shoe Box Appeal.

Twenty two filled shoe boxes, cosy hand knits and filler items along with donations of money were delivered to the Perth Baptist Church on Friday 4<sup>th</sup> November prior to Customs checking before heading to Ukraine & Eastern Europe in time for Christmas.

Your support is greatly appreciated in this difficult year.

## THANKS - MARGARET FOLAN

Margaret, Douglas, Judith and family wish to thank most sincerely Allan, all fellow Elders and friends in Dunbarney and Forgandenny Church for the kindness shown during the past few years and especially at this time after the sudden death of Billy. We were overwhelmed by the very many cards, flowers, calls and visits. Thanks to Flower Group for the lovely flowers. Also for the huge attendance at the funeral service.

This has been very much appreciated to get us through this difficult time.

## JARS OF GRACE

Filled ones can be returned to either church on a Sunday or the office.

## MONTHLY SOUP LUNCHES

We are restarting Wednesday Soup Lunches on Wednesday 9th November, 12.00 noon to 1.30pm in Dunbarney Church Hall and thereafter on the second Wednesday of each month. Cost £5. If you would like to come and need transport please contact Colin, Charlene or Anne in the office.

If you can help with serving, baking, soup making or transport please contact as above.

Charlene Hunter.

## SOCIAL COMMITTEE - Dates for your Diary.

You are invited to come along to enjoy Carol Singing together at the cross in Dunbarney Church Garden on Wednesday 21st December at 6.30pm. This will be followed with refreshments being served in the hall.

On the Saturday 14th January 2023 Dennis Dees will give an Organ Recital in Dunbarney Church at 10am. Dennis has been playing our organ for his own pleasure for some time now and he has agreed to play for us. He will play some tunes and we will then have a break for refreshments and then back into church for more tunes. Look out for more details on both of these events nearer the time but in the meantime get the dates into your diary.

Wilma McCullough

## DUNBARNEY FLOWERS

I would like to thank everyone who has given donations towards the Church Flowers over the past year. The flowers are arranged by a few members of the Church, dismantled and then delivered throughout our congregation and village folks.

I receive many cards of thanks which we truly appreciate you taking the time to write them and Thank You for this.

Over the past few years due to covid we have been mainly using green dishes to arrange the flowers in so as not to have to handle as much and if you have any of these lying around your house, we would be happy to collect from you or you can drop into the church office, and I will get them. We can reuse the dishes but bin the oasis.

Many years ago, I was asking you to save flower sleeves but as we have so many now, I would ask that you don't drop any off meantime but again thank you for doing this.

## **CROSSREACH NEWS**

The September edition is available in the vestibule of both churches. It's free and filled with articles about how the Church of Scotland is involved in social care throughout the country. This edition also has an order form and details of their Christmas card and calendar collection. Please help yourself to a copy.

Their Mission Statement is 'In Christ's name we seek to support people to achieve the highest quality of life which they are capable of achieving at any given time'.

## **THE BIG BRIG YOUTH PROJECT**

Our Church Action Plan is committed to nurturing and supporting our local youth. We are hoping to build on good contacts made by KYTHE when their mobile unit visited Bridge of Earn and Oudenarde over the summer and again in the October school break.

Our plan is to offer a space in Dunbarney Hall where young people will feel safe. This will be supported by KYTHE's expertise alongside volunteers from our own church and community. If you would like to know more or feel you can offer an hour of your time, then please get in touch with me asap. There are envelopes at Dunbarney Church if anyone wishes to support the KYTHE charity.

## **CYCLING WITHOUT AGE**

Several local people have had a wee hurl on the trishaw, some in Perth and some in Bridge of Earn.

There is more detail and some photographs on the noticeboard in Dunbarney Hall and on our church web page. Get in touch with Anne Larg if you are interested in going out in the trishaw. It's free!

## **PASTORAL GROUP**

Thank you to everyone who helps with this group, it is so important to keep in touch with members of the congregation.

To help with this, there are now postcards on the ends of the pews in both churches giving details of the Pastoral Group and if anyone in the congregation feels they would like to get in touch on a pastoral matter, they can either do so by phone or pop a note in the Pastoral Care box, there is one in the vestibule of both churches. These are checked regularly and someone will be in touch.

### **CHURCH HALL**

We are delighted that our church hall is busy again with a variety of clubs and organisations for different age groups and interests. Most of these are open to anyone so if you are interested in something, please get in touch and I can give you the details of who to contact.

### **MONDAY**

Morning - Ladies Keep Fit Class 1 (for the less mobile) - 9.45 - 10.30  
Spaces!

### **COSY SPACES**

We have been awarded some funding to provide a Cosy Space in our community during the winter months. The initiative will be open to everyone living in our communities, whether a church attender or not.

We plan to open Dunbarney Church hall on 1 day per week for 6 hours. Potentially from 10am-4pm on a Friday. This is dependent on helpers volunteering to be there when the hall is open, to chat and serve teas and coffees, soup and bread, perhaps some home baking. We are looking for 2 people to volunteer for a 2-hour slot, that's 6 people required each Friday. Obviously, the more people who volunteer the fewer sessions will have to be covered. Ideally if 24 people volunteered this would mean each doing 1 x 2-hour session per month.

If you can help by attending in person for a 2-hour slot, and/or by providing soup, bread or home baking please contact Margaret Bell on Tel: 0773 237 5038,

Email: [deputysessionclerk@outlook.com](mailto:deputysessionclerk@outlook.com).

Many thanks, I look forward to hearing from you.

Margaret Bell

### **SPOT THE DIFFERENCE THIS ADVENT !**

Keep your eyes peeled this Advent, for if you do, you may notice some SURPRISES in amongst our village decorations!

This Advent our wonderful volunteer window dressers in Bridge of Earn will be adding something unexpected to their festive displays. In Forgandenny budding artists will be drawing wonderfully decorated Christmas trees for the school railings, to which will be added the same surprise items as will be appearing in the windows.

As previously, windows and the school railings will be numbered from the first of December. Your job each day in Advent is to try and spot what doesn't look like it belongs.

Answer sheets with clues as to what to look for (and village maps) will be made available at the back of our churches and on the parish website. Happy hunting!

Kirsty Jackson

## **DUNBARNEY CHURCH REFURBISHMENT PROGRESS**

We now have a schedule agreed with the architect for the work to update the sanctuary, and it is hoped contractors will get started on the renovation works just after Easter. The pews and old heating system will be removed, the vestibule area opened up, and new flooring, insulation, heating and lighting installed. A folding glass rear partition and various kitchen improvements will be followed by new floorcovering, seats and redecoration to complete the changes. If all goes to plan we should have our new flexible worship space ready for use by October 2023. Watch this space!

George Bell

## **ECO GROUP CHURCH GROUNDS**

The lovely labyrinth in our church grounds will be bursting with colour next March as it has been planted with daffodils by 12 children from Dunbarney School Nursery and volunteers Ali, Janice, Kirsty, Anne, Christian, Kathleen, Susan, Steve and Avril. The nursery children are coming back in March 2023 to see the fruits of their labours.

## **HEDGEHOG HOME**

This has now been positioned near the wall beside the scout hut. We hope it will provide a cosy home for our prickly friends. Please remember if you are putting out food this winter for hedgehogs, tinned dog or cat food is best and water to drink.

Avril Fulton
